Personal information

First name(s) / Surname(s) **Enkeleint - Aggelos Mechili**
 Address Agathoupoleos, 38,
 Athens, 11252, Greece
 Mobile (+30)6946136222
 E-mail(s) mechili@uoc.gr, mechili@univlora.edu.al
 Nationality Greek, Albanian
 Date of birth 09/11/1985
 Gender Male

Brief research synopsis

My research focuses on Health Policy, Health Management, Health Economics, Epidemiology, Public Health and Health Informatics (using it as a method to improve the provided health services and to reduce cost). During my PhD I investigate the impacts of financial crisis in health (and especially the population quality of life).

Work experience

- | | |
|-------|--|
| Dates | January 2016 – to date
Research Associate of the Clinic of Social and Family Medicine, School of Medicine, University of Crete, Greece |
| Dates | January 2017 – July 2018
Vice-Rector, University of Vlora, Albania |
| Dates | February 2013 - to date
Lecturer at Faculty of Public Health, University of Vlora, Albania |
| Dates | July 2018
Invited speaker at the summer school programme "Cultural Competences, Docto-Patient Communication and Minority Health at Faculty of Medicine, University of Ljubljana, Slovenia |
| Dates | December 2017
Invited speaker at School of Medicine, University of Crete, for teaching at Master level |
| Dates | November 6th, 2017 – November 10th 2017
Teaching at Tallinn Health Care College in the framework of ERASMUS+ credit mobility programme |
| Dates | December 2016 – May 2017
Fellowship from European General Practice Research Network (EGPRN) |
| Dates | March 2012 - to date <ol style="list-style-type: none"> 1. Tutor for the graduate module of "Epidemiology" in spring semester at the academic year 2014-2015 in the Nursing Department of the National and Kapodistrian University of Athens. 2. Tutor for the undergraduate module of "Epidemiology" at the academic year 2014-2015 in the Nursing Department of the National and Kapodistrian University of Athens (20 hours in total). 3. Tutor for the graduate module of "Epidemiology" in winter semester at the academic year 2014-2015 specialization "Organization and Management of Health Services" in the Nursing Department of the National and Kapodistrian University of Athens (20 hours in total). 4. Tutor for the graduate module of "Special Topics in Health Informatics" in winter semester at the academic year 2014-2015 in the Nursing Department of the National and Kapodistrian University of Athens (36 hours in total). 5. Tutor for the undergraduate module of "Introduction to Computer Science and Data Processing" in |

- the Nursing Department of the National and Kapodistrian University of Athens (22 hours in total).
6. Tutor for the undergraduate module of "Epidemiology" at the academic year 2013-2014 in the Nursing Department of the National and Kapodistrian University of Athens (13 hours in total).
 7. Tutor for the graduate module of "Epidemiology" in spring semester at the academic year 2012-2013 specialization "Public Health, Community Nursing and Intercultural Nursing" in the Nursing Department of the National and Kapodistrian University of Athens (50 hours in total).
 8. Tutor for the graduate module of "Epidemiology" in spring semester at the academic year 2011-2012 specialization "Public Health, Community Nursing and Intercultural Nursing" in the Nursing Department of the National and Kapodistrian University of Athens (50 hours in total).
 9. Tutor for the graduate module of "Epidemiology" in winter semester at the academic year 2012-2013 specialization "Organization and Management of Health Services and Public Health" in the Nursing Department of the National and Kapodistrian University of Athens (30 hours in total).
 10. Tutor for the undergraduate module of "Epidemiology" at the academic year 2012-2013 in the Nursing Department of the National and Kapodistrian University of Athens (13 hours in total).
 11. Tutor for the graduate module of "Epidemiology and Biostatistics" in spring semester at the academic year 2012-2013 in the Dentistry Department of the National and Kapodistrian University of Athens (30 hours in total).
 12. Tutor for the graduate module of "Methodology of Research" in winter semester at the academic year 2012-2013 in the Dentistry Department of the National and Kapodistrian University of Athens (30 hours in total).
 13. Tutor for the graduate module of "Epidemiology" in winter semester at the academic year 2011-2012 specialization "Organization and Management of Health Services and Public Health" in the Nursing Department of the National and Kapodistrian University of Athens (30 hours in total).
 14. Tutor for the undergraduate module of "Epidemiology" at the academic year 2011-2012 in the Nursing Department of the National and Kapodistrian University of Athens (13 hours in total).

Dates **October 2011 – February 2012**

Clinical instructor in the exercise group of the 3rd semester students of the academic year 2011 - 2012 under the module of Community Nursing 1

Dates **2010 – February 2011**

Clinical instructor in the exercise group of the 3rd semester students of the academic year 2010 - 2011 under the module of Community Nursing 1

Dates **2010 – February 2011**

Clinical instructor in the exercise group of the 3rd semester students of the academic year 2010 - 2011 under the module of Basic Nursing 2

Dates **2006 – June 2009**

I have worked as an assistant at the laboratory of Anatomy, Embryology and Histology in the Nursing Department of the National and Kapodistrian University of Athens

Dates **2004 – June 2012**

Tutor (mathematics and physics) of the first and second high school children

Education and training

January 21st, 2018 – January 27th, 2018

Staff training exchange within Erasmus+ Credit mobility Programme (University of Turku, Finland)

June 18th, 2018 – June 22, 2018

Staff training exchange within Erasmus+ Credit mobility Programme (University of Vigo, Spain)

July 9th, 2018 – July 13, 2018

Staff training exchange within Erasmus+ Credit mobility Programme (Middle East Technical University, Turkey)

January 2012 – June 2015

PhD (excellent grade) in Health Policy from National and Kapodistrian University of Athens, Faculty of Nursing. Athens, Greece, 2015.

Thesis title: "A Comparative Study in Health Services Demand between General Population and Unemployed in Greece after the Financial Crisis".

November 2009 – November 2011

MSc from National and Kapodistrian University of Athens, Faculty of Nursing in Public Health (direction Community Nursing).

Thesis title: "Investigation of Cost – Effectiveness in Primary Health Care (PHC)".

January 2015 - Today

Under graduate student at Greek Open University (GOU) at the Faculty of "Business Organization and Administration"

September 2004 – September 2009

Graduated at Faculty of Nursing. National and Kapodistrian University of Athens.

September 2001 – July 2004

41st General Lyceum Athens

September 1998 – July 2001

47th General Unified High School of Athens

September 1996 – July 1998

11th Elementary School of Athens

September 1993 – July 1996

Primary School Vlora. Avni Rustem

Author in books

1. "Epidemiology and Public Health in Nursing" Leadership, Policy and Practice. Pasxalidis Publication. Nicosia, Cyprus 2014, ISBN: 978-9963-716-90-6 (participation in translating the original book).
2. Greece Financial Crisis and Health Related Quality of Life. LAP Lambert Academic Publishing: Germany. ISBN: 978-3-659-80336-9.
3. "Medical Geographical Information – Applications, Analysis and Mapping". Springer International Publishing AG. (in process) Author in two chapters.

Continuing Education

- International Continuing Nursing Education Credits. A successful completion of 2.5 International Continuing Nursing Education Credits (ICNECs). Each ICNEC is equivalent to approximately 60 minutes of an approved, organized learning experience.
- Participation in Empowering Patient Education in nursing science. 25.0 CREDITS. University of Turku, Finland.
- European Regional Tobacco Control Leadership Program. September 3-9, 2017. Kiev, Ukraine.

Membership in editorial committee Member of the editorial committee of European Scientific Journal (ESJ)

Courses at Vlora University INF-441 Health Management (*Master level*)
INF-443 Health Promotion (*Master level*)
INF-510 Research Methodology (*Master level*)
INF-505 Biostatistics (*Master level*)

European Projects

1. From January 2016 – February 2017 I worked at EUR-HUMAN project. The overall aim of the EUR-HUMAN project is to enhance the capacity, knowledge and expertise of European member states who accept refugees and migrants in addressing their health needs safeguard them from risks, while at the same time to minimize cross-border health risks. The project is funded by European Commission.
2. From 27 October 2013 - March 2015 we created a methodological approach to a real-time patient electronic record. The system records patient information about their health status and can do statistical analysis using geographic information systems (GIS) to determine the spatial data related to accidents. The program was funded by the University of the Aegean.
3. From 29 March 2013 - 31 May 2014 I worked on a project on "Harnessing Social Networks to inform the young population for the most common Sexually Transmitted Diseases". The program was funded by the National and Kapodistrian University of Athens.
4. From 26 July 2013 - 23 September 2013 I have worked on the program of BioMed in Jordan (Yarmouk University, Irbid) for preparing the report of WP1. The main idea of this program is the transfer and exchange of know-how in health information between European and Middle-East countries. The program was funded by the European Commission.
5. From May 2017 – to date I'm working at EPACTT-2 project. The aim is to: 1) translate and disseminate the European Network for Smoking Prevention (ENSP) Network's Guidelines for treating tobacco dependence in 15 languages. 2) train and accredit professionals in Europe in smoking cessation and cutting edge issues in tobacco control. Coordinator of Albania.

Social skills and competences Very good social skills, Cooperative, Friendly, Provision for communication and exchange of views

Organizational skills and competences

- Member of the organizing committee at the International Conference that was held in Athens 9-11 July 2015. International Conference on "Informatics, Management and Technology in Healthcare" <http://www.icimth.com/organizing-committee>
- Member of the organizing committee at the International Conference that was held in Athens 10-13 July 2014. International Conference on "Informatics, Management and Technology in Healthcare" <http://www.icimth.com/organizing-committee>
- Leadership skills
- Reliability as individual
- Consistent
- Team spirit
- Ability to work and take decision under pressure
- Will to reach the highest level
- Honesty
- Ability claim
- Confident that will always achieve my goals
- Enormous patience to win what I want

During my studies at the University:

- I have been a member of the board of nursing students from 2007 - 2009
- I have been a representative of the student association to the Board of Department 2007 – 2009

- I have been a representative of the student association at the General Assembly of the Department 2007 – 2009
- I have been Secretary of PASP from 2008 – 2010
- During my graduate studies I was elected as president of the Graduate Student Association from 2010 – 2011

Professional skills

- I already work in two universities with very good reviews and a good evaluation
- During my student years I worked in cafes(2) for several years(8) which helped me to gain great experience in communication with people and nowhere there were no complaints

Computer skills and competences

ECDL CORE CERTIFICATE:

- Successful examination in (7) units: (Basic concepts of IT, Using PC and file management, Word, Excel, Access, PowerPoint, Internet Services).
- Statistical software: SPSS
- Successful examination in 3 units: « Health Informatics », «Hospital Information System», «Biomedical Informatics and Engineering», University of Athens, Faculty of Nursing.

Presentations in conferences

1. Poster presentation: "Investigation of the quality and effectiveness of telemedicine in children with diabetes" at 5o Panhellenic Conference and Forum of Public Health and Social Medicine. (21-23 November 2014 Thessaloniki).
2. Work presentation at "International Conference on Informatics, Management and Technology in Healthcare (ICIMTH) (5-7 July 2013 Athens), entitled "Impacts of globalization in Health".
3. Work presentation at 7th Panhellenic Congress for Management, Financial and Health Policy, "Health and Health Services after the Memorandum», Entitled «Principles of a Public Hospital"
4. 9th International Conference on "Information Communication Technologies in Health" ICICTH SAMOS 2011 presentation entitled: "Computer based evidence in Primary Health Care"
5. 39thPanhellenicNursingCongress (15-18 May, Volos) presentation entitled: "Causes and managing work stress in the European Union"
6. International Conference on Information Communication Technologies in Health (12-14 July 2012) Entitled: "Electronic prescription and health Services"
7. International Conference on Information Communication Technologies in Health (12-14 July 2012) Entitled: "Utilization of Social Networks for Informing the Population Regarding Food-Borne Diseases"
8. 3rd Panhellenic and 2nd European conference of Hellenic Nurse Association (30 April – 3 May 2010 Ioannina). Presentation entitled: "Differences between Greek and Danish Health Care System"
9. 8th National Student Conference (April 27 – 29 Athens 2005). Work presentation entitled: "Childhood

Obesity Documented current concepts of diagnosis, prevention and treatment”

10. 9th National Student Conference (April 16-18 Athens 2010). Work presentation entitled “School Nurse role”.
11. EGPRN Conference 2016 – 12-16 October, Leipzig, Germany. Presenting the EUR-HUMAN project.
12. 6th Panhellenic Congress of Forum: Public Health and Social Medicine. Social Inequalities and Public Health 2016 – 31 October – 1 November, Athens, Greece. Presenting the EUR-HUMAN project.
13. 18th Pancretan Medical conference held at Rethymnon in 4-6 November 2016. Presenting the EUR-HUMAN project.
14. 12th Panhellenic Conference for Management, Economics and Health Policies was held in Athens, Greece on 13-15 December 2016. Presenting the EUR-HUMAN project.
15. 12th Panhellenic Conference for Management, Economics and Health Policies was held in Athens, Greece on 13-15 December 2016. Presenting "Health Related Quality of Life of unemployed during financial crisis".
16. Primary Healthcare and Psychosocial support to People on the Move. Doctors of the World. Athens 29-30 March 2017. Presenting: The role of the community in the health of migrants/refugees.
17. CARE project: «Common Approach for REfugees and other migrants' health». Athens, 10/03/2017. Presenting: EUR-HUMAN project results.
18. European General Practice Research Network (EGPRN), Riga-Latvia, 11-14 May 2017. Presenting: What are the challenges that family practitioners face in the management of chronic diseases? A European research protocol from the EGPRN Fellows.
19. 22nd WONCA Europe Conference, Prague, Czech Republic, June 28 – July 1, 2017. Presenting: Providing comprehensive, affordable and holistic Primary Health Care (PHC) to refugees' and migrants in Greece.
20. 10th ANNUAL CONFERENCE OF THE EUROMED ACADEMY OF BUSINESS 13-15 September 2017 – Rome “Global and national business theories and practice: bridging the past with the future”. Co-author of the presentation “The Trend of Health Care Tourism: Literature Review” presented by Pjero (Beqiraj) Elenica.
21. Cluster Meeting: Migration and health: paths for integration-How the European Union Contributes to Public Health Priorities Including Health of Refugees and other Migrants. 21 September 2017, Brussels, Belgium. Participation at Panel discussion 3: From the view of the (Non) health professionals and (care) providers: towards coordinated and integrated approaches, adapting to changing scenarios.
22. 3rd International Congress on Education Science and Learning Technology. 15-19 November 2017. Co-author of the presentation “The use of social media by students: comparative study” presented by Fatjona Kamberi.
23. 50th EUCEN conference Bergen, Norway. 6-8 June 2018. Co-author of the presentation “Co-worker exchange among medical faculty for novel university learning and teaching” presented by Timo Halttunen.
24. 3rd International Conference of the European Network for Smoking and Tobacco Prevention (ENSP). 14-16 June 2018 – Madrid, Spain. Presenting: Tobacco Addiction in Young Population and Factors Associated with Motivation to Quit; The Case of University of Vlora, Albania Students.
25. 3rd International Conference of the European Network for Smoking and Tobacco Prevention (ENSP). 14-16 June 2018 – Madrid, Spain. Presenting: Lack of Implementation of WHO Framework Convention on Tobacco Control (WHO FCTC) in Albania: An Urgent Issue to Tackle.
26. 3rd International Conference of the European Network for Smoking and Tobacco Prevention (ENSP). 14-16 June 2018 – Madrid, Spain. Smoking cessation in cardiovascular, diabetes and COPD patients. Presented by: Arusyak Harutyunyan.
27. 3rd International Conference of the European Network for Smoking and Tobacco Prevention (ENSP). 14-16 June 2018 – Madrid, Spain. Price and Affordability of Cigarettes among 14 European Countries. Presented by: Arusyak Harutyunyan.
28. 7th International Multidisciplinary Conference on Knowledge & Human Resources Management for a Sustainable Development. 29 June -1 July, 2018 Cosenza, Italy. Co-author of the presentation “IMPACT OF INFORMATICS ON PUBLIC HEALTH. WHAT SHOULD BE DONE IN ALBANIA?” presented by Evis Alushi.

Participation in conferences

1. 6th National Student Conference of Health (10-12 December 2004)
2. 7th National Student Conference of Health (9-11 December 2005)
3. 8th National Student Conference of Health (27-29 April 2007)

4. Pathology Days 09 (10-11 April 2009)
5. 1st National Symposium with international participation for the conditions of the Diabetic Foot (13-15 February 2009)
6. 1st National Symposium of General Medicine(23-24 January 2009)
7. Training on Emergency situations initial assessment-treatment (January 2008)
8. Intensive Care and Emergency Medicine: "Clinical Cases and Rare Diseases". (28-29 November 2008)
9. 15th "Anniversary" National Conference of Internal Medicine(13-17 October 2009)
10. Cutting-edge issues in modern oncology "Today the response and future prospects"(9-10 October 2009)
11. 13th 'scientific meeting of pediatric infections" (10-11 October 2009)
12. 12th Thematic Conference Intensive Care and Emergency Medicine(27-28 November 2009)
13. 3rd Panhellenic Conference History of Medicine "History of Cardiology" (20 March 2010)
14. 3rd Panhellenic kai 2nd European conference of Hellenic Nurse Association (30 April – 3 May 2010).
15. 9th National Student Conference of Health (16-18 April 2010)
16. 10th National Student Conference of Health. (8-10 April 2011)
17. 1stSeminar on Educational Quality (Workshop)of the MoHon: Quality and Accreditation of Health (Hospital) (17 July 2010)
18. 9th International Conference on "Information Communication Technologies in Health" ICICTH Samos 2011
19. 7thNational Conference on Management ,Economics and Health Policies (15-17 December 2011)
20. 4th Panhellenic kai 3rd European conference of Hellenic Nurse Association (9-12 March 2011)
