

**REALD UNIVERSITY
COLLEGE**

**UNIVERSITY OF
SALERNO**

22-23 Maj 2019
REALD UNIVERSITY COLLEGE
Vlorë, ALBANIA

INTERNATIONAL CONFERENCE ON INNOVATION PRACTICES AND TECHNOLOGICAL TRANSFER IN PHARMACEUTICAL SCIENCES

Day 1 – Wednesday 22 Maj 2019

09:00-12:00 SCIENTIFIC SESSION

Registration

Institutional greetings

Prof. Mirko PERANO – *Reald University College (Albania)*

Cocreating value through the engagement of multiple actors within global strategic partnerships: the importance of knowledge sharing in innovation practices

Prof. Pietro CAMPIGLIA – *University of Salerno (Italy)*

Nutraceuticals as new paradigm in Medicinal Chemistry: identification of bioactive molecules from food matrices

Dr. Enkeleid MEHILLI – *Reald University College (Albania)*

The role of Health Technology Assessment (HTA) in policy and decision-making

Dr. Alessia BERTAMINO – *University of Salerno (Italy)*

Design and development of anticancer and antiviral molecules: rational and phenotype based approaches

Dr. Ledian CAMA – *Reald University College (Albania)*

Thermal and spectroscopic evaluation of the quality of carbamazepine immediate release tablets

Dr. Carmine OSTACOLO – *University of Naples, Federico II (Italy)*

Development of TRPM8 ion channel modulators: from design to potential therapeutic applications by multidisciplinary approach

Dr. Eduardo Maria SOMMELLA – *University of Salerno (Italy)*

Application of metabolomics to medicinal chemistry and disease diagnosis and treatment

14:00-16:00 TECHNOLOGICAL TRANSFER' SESSION

14:00- 16:00 Registration

Institutional greetings

Prof. Pietro CAMPIGLIA – *University of Salerno (Italy)*

DIFARMA-UNISA: 10 years serving to technological transfer

DIFARMA-UNISA: Technological transfer, future challenges

Day 2 – Thursday 23 Maj 2019

09:00-12:00 PANEL DISCUSSION

Opportunities in pharmaceutical sciences between European found and local social, economic and environmental' needs

Sponsored by

OMEGA PHARMA GROUP

CONFERENCE CHAIRS

Mirko PERANO Reald University College (Albania)

Pietro CAMPIGLIA University of Salerno (Italy)

SCIENTIFIC COMMITTEE

Agim Mamuti *Canadian Institute of Technology (Albania) and Mother Teresa University (Macedonia)*

Anna Fortunato *University of Salerno (Italy)*

Armando Papa *Link Campus University (Italy)*

Beatrice Orlando *University of Rome “La Sapienza” (Italy)*

Bice Della Piana *University of Salerno (Italy)*

Dafina Nazaj *Reald University College (Albania)*

Fabio Piano *Link Campus University (Italy)*

Francesco Caputo *University of Salerno (Italy)*

Gian Luca Casali *Queensland University of Technology (Australia)*

Ledian Cama *Reald University College (Albania)*

Manlio Del Giudice *Link Campus University (Italy)*

Mario Parrilli *University of Calabria (Italy)*

Michele Cerrato *University of Salerno (Italy)*

Mirko Perano *Reald University College (Albania)*

Myzafer Elezi *Reald University College (Albania)*

Përparim FAKAJ *Reald University College (Albania)*

Petrit Kotori *Reald University College (Albania)*

Pietro Campiglia *University of Salerno (Italy)*

Pina Puntillo *University of Calabria (Italy)*

Spiro Caushi *Reald University College (Albania)*

Xhimi Hysa *Epoka University (Albania)*

ORGANIZING COMMITTEE

Anna Fortunato *University of Salerno (Italy)*

Armando Papa *Link Campus University (Italy)*

Beatrice Orlando *University of Rome “La Sapienza” (Italy)*

Bice Della Piana *University of Salerno (Italy)*

Fabio Piano *Link Campus University (Italy)*

Gian Luca Casali *Queensland University of Technology (Australia)*

Michele Cerrato *University of Salerno (Italy)*
